Discover Mushing

Beginner's class dog-sledding on the volcano:
Perfect for initial contact with sled dogs and mushing. You will learn about the equipment (harnesses, sled), but most important about Huskies! As a future musher you will learn the basic skills about handling sled dogs. What else does one need to be happy: A pack of Siberian Huskies, a musher (you) and a sled. The dogs will run on your command through the snow Covered Araucaria forests.
